

CONSUMED 2014

WHO?

Youth going into Grade 7 this fall, and youth who finished Grade 12 this past spring can attend this year. (Youth, aged 13–18)

WHAT #1?

“CONSUMED” is our annual Salt & Light (S&L) North American Central Youth Conference. Youth from all over central North America, belonging to eight different church fellowships in our S&L church family, will gather—most importantly—to hear from God. But also to ask the questions: “What am I consuming, and what is consuming me?”

WHAT #2?

Each of us were created by God and for God, called not for our own works, but according to his purpose (2 Tim 1:9). International speakers from our S&L Central leadership, such as Giuseppe Buoncore, Bryan McCrea and Rob Baron, will teach us about who we are as God’s image-bearers and challenge us to boldly and passionately pursue a life centered on Jesus.

WHEN?

Conference registration begins Friday, August 29 at 6:30pm @ Thunder Bay Christian Fellowship in Thunder Bay, Ontario. The conference ends on Monday, September 1 at 10:30am when each group travelling from Thunder Bay heads home.

TRANSPORTATION?

Churches from Canada will travel by coach bus from Winnipeg to Thunder Bay. The transportation cost to and from Gateway Church is \$60.00/person, and is payable with the registration fee. Please inform your youth leader if you will NOT be traveling on the bus, otherwise it will be assumed you are on the bus.

Churches from the U.S.A. will be making their own individual travel arrangements. Please check with your youth leaders for travel arrangements and costs.
